1.9	Friends Can Change You	60 words
1.10	If You Do Nothing	57 words

Reading Foundations

How to use

A. Teach the 3 Extra Vocabulary words for the passage (use the Extra Vocabulary slideshow).

B. Read the passage aloud. Students echo read it after you.

C. Cold read: students read for one minute. Mark errors. The number at the end of each line helps you find the last word fast.

D. Next day: repeat read, timed only. 1.0 is the placement passage. **Bold words** are Phrase Level 1 words.

1.0 · Placement

Should School Start Later?

Many teens **go to** bed late. **But school** 8

starts early, **so they come to class** 15

tired. Doctors **say** teens need **about** 21

nine hours **of** sleep. **Many** doctors 27

want school for teens **to** start **at** 8:30 35

or later. **But that can be** hard **for** 43

families who work early. **What time** 49

do you want school to start? 55

1.2

Your Phone

Many people have a phone. You can 7
use it to call, text, and look up words. 16
You can also use it to take pictures. 24
Some people look at their phone for 31
more than five hours a day. That is a 40
long time! What would you do with 47
no phone for one day? 52

1.3

Schools Are Not All the Same

Not all schools are the same. **In** 7

Mexico, **many** kids wear **a** uniform. **In** 14

Japan, kids help clean **their school** 20

each day. Here, kids **go from class to** 28

class when the bell rings. **Each school** 35

has its own way. Which way do you 43

like? 44

1.4

Homework

Many teachers give homework. 4

Homework **is school work you do at** 11

home. Some people say it helps **you** 18

learn **more. It can** help **you get ready** 26

for a test. **Other people say** kids **are** 34

tired after school. They want time for 41

family, friends, and work. Some 46

schools give **no** homework **at all.** 52

Should **there be** any homework? 57

1.5

Jobs

Some kids **want a** job. **The** law **says** 8

you can start **some** jobs **at** 14. **But** 16

you can only **work** three hours **on a** 24

school day. A job **can** help **you make** 32

money, **and you can** learn **a lot. But** 40

work can take **time from school and** 47

friends. Would you want a job **at** 14? 55

1.6

Dating

Some kids **in** seventh grade **have a** 7

boyfriend **or a** girlfriend. **Some** 12

families say that is fine. Other 18

families say you are too young, **so** 25

you have to wait. **Some** kids **want to** 33

date, **but some do not. There is no** 41

one right way. When do you think **is** 49

the right time to date? 54

1.7

Who Chooses?

In some families, parents help choose 6

who their child **will** marry. **They want** 13

to make a good **pick for the family.** 21

In other families, people choose **who** 27

they want. When you are older, **who** 34

will you date **or** marry? **Some people** 41

say your family knows you best. 47

Other people say it is your choice. 54

What do you think? 58

1.8

A Shorter School Day

What if school was only four hours **a** 8

day? Some people say kids **would** 14

want to learn **more. They would not** 21

be so tired. Then they could have 28

time for a job, **a** sport, **or their** 36

family. Other people say kids **would** 42

have less **time to** learn **to** read **and** 50

write. If school was shorter, **would** 56

you work harder? 59

Words: 59

Extra Vocabulary: shorter, sport, less

1.9

Friends Can Change You

Your friends can change **you. If your** 7

friends work hard, **you may want to** 14

work hard, too. **If your friends get in** 22

trouble, **you may get in** trouble, too. 29

Some people say you should **pick** 35

friends who make you better. **Other** 41

people say you can still **be friends** 48

with all kinds **of people. Who do you** 56

want to be like? 60

Words: 60

Extra Vocabulary: change, trouble, better

1.10

If You Do Nothing

In many schools, kids move **on to the** 8
next grade even **if they** fail. **So some** 16
kids think **school work does not** 22
count. **But what if you do** nothing **all** 30
year? Next **year**, **the work is** harder. 37
You may not know how to do it. The 46
learning **you** lose **does not come** 52
back. **Is it worth it**? 57

Words: 57

Extra Vocabulary: fail, grade, lose
